Does your child start school this September?

Starting full-time school is an important time for both parent and child. It can also be daunting and nerve-wracking. We believe that a vital part of the many preparations for this big step is to pray for your child and dedicate them into God's loving care and protection.

We would like to invite you, your child and your family to a short service of dedication and celebration of this special occasion in their lives.

Sunday 5th September at 3pm, at St John's

This will take place lasting about 30 minutes and will include activities and interaction for the children

There will be refreshments and snacks provided afterwards.

If you are interested in hearing more about the service please could you let us have your details on one of the reply slips at the back of church.

There's still time to book in for the children's holiday club and family day out.

Pick up a leaflet from the back of church.

Please pray for the children and the Team during the coming week.
