Also a quick reminder that on **Saturday 28th September at 10am** some of the Limelight group are clearing out a church member's attic as part of their fundraising pledge for Soul Survivor. Handmade Petition

Make and pray

A huge handmade petition will be presented to the UK government during the Preventing Sexual Violence in Conflict Conference in November. Fabric petition squares will be sent to Open Doors to be sewn together into a huge banner.

This petition will say that to address this problem of sexual violence in conflict, the persecution of faith needs to be recognised, as in many countries these issues are inextricably connected.

Please join the petition by making a 30cm fabric square. The words I SEE YOU must be written, painted or sewn on to a light coloured square with any other creative bits you like. Please hand them to Jane Johnson or Esther Carr by Sunday 29th September.
